Dear Linc:

I know by now you are aware CIA and Community Congressional Liaison Staffs are putting together a two-day seminar on the 14th and 15th of December [redacted] to go over the major issues we will face in the 98th Congress and to explore ways to present our Programs with consistency and effectiveness. Such a session can be most helpful for all of us and though I cannot be there, I want you to know I support it fully. [redacted]

I know your people will be heavily involved in all the proceedings, but I hope you can find the time to participate personally in the session on the 14th for the discussions about better support for senior witnesses such as you and myself. I know [redacted] our Executive Director, is looking forward to participating in that session. [redacted]

Sincerely,
